Sir:

TECH CENTER 1600/2900

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of an claim of the subject application, Attorneys for Applicants hereby direct the Examiner's attention to references AA-CX listed on the attached revised Form PTO/SB/08. Copies of the references are enclosed.

Identification of the listed references is not to be construed as an admission of any individual associated with the filing or prosecution of the subject application that such reference is available as "prior art" against the subject application. Furthermore, Applicants do not waive any rights to appropriate action to establish patentability over the listed document should it be applied as a reference against the claims of the subject application.

Applicants respectfully request that the Examiner review the listed reference and that the reference be made of record in the file history of the application.
